GREEN DAY THREADS

There's more to ecofriendly fashion than hemp Baja hoodies. Here are three items that are good for the Earth and easy on the eye.

Talladega Polo

PLANETEARTHGREENLABEL.COM

Streetwear brand Planet Earth proves eco-chic can look urban with its Green Label. This slim-cut polo – designed with skaters and surfers in mind – is made of organic-cotton jersey and will no doubt improve the appearance of your kick-flip.

Messenger Bag

PASSCHAL.COM

Passchal may not have reinvented the wheel, but at least they recycled it. This sleek and rugged messenger bag is handcrafted from truck-tire inner tubes. In the past three years, Passchal has saved more than twelve tons of rubber from the trash.

Bamboo Dress

BAMBOOBODY.COM.AU

Bamboo grows naturally without the aid of pesticides, insecticides, fertilizer, Genetically Modified Organisms (GMO) or any chemicals whatsoever, and given it feels so good against your skin, it makes the perfect eco alternative fabric.
